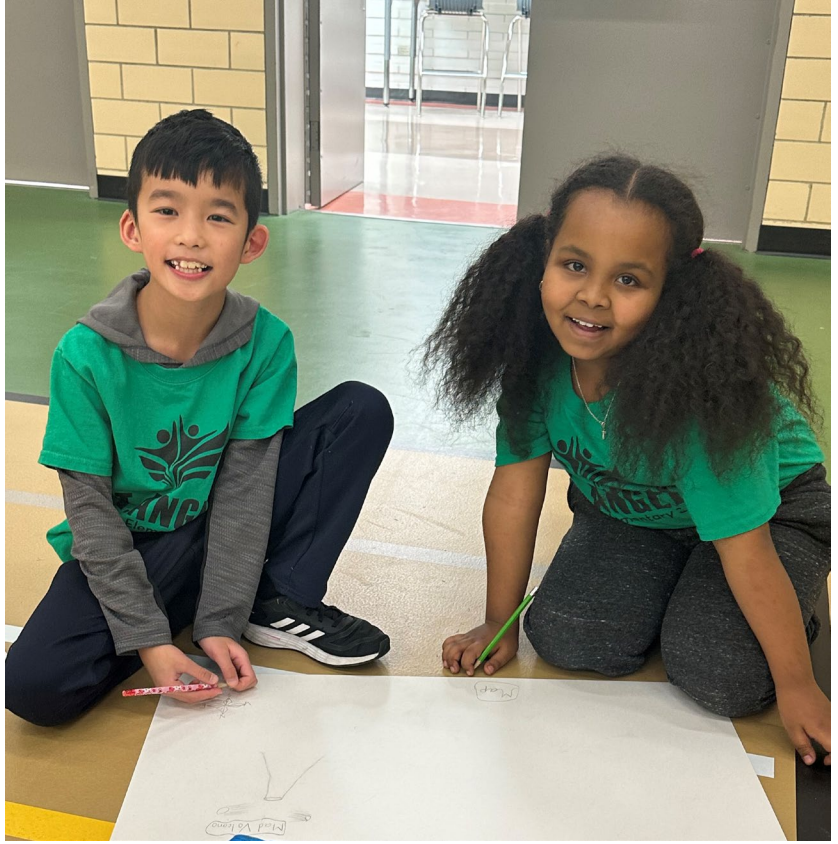
Pink Shirt Day – Wednesday, February 28

Pink Shirt Day began in 2007 when a student in Nova Scotia was bullied for wearing a pink shirt to school. It has since been recognized annually worldwide as a day to stand against bullying. Wear your pink shirt to show your support!

Registration and Pre-Enrolment

Thank you to all our families who have pre-enrolled! This helps us with our planning for next year!



STEM Assembly

Today's STEM Assembly had students working with their cross-grade buddies to create emotion maps. Students then coded a Dash robot to travel around the map identifying the emotions that might fit with each stop along the way. Finally, like all good scientists, students returned to their maps to add things they might have missed.
