Catholic Education Week

From October 19-25, we celebrate the blessing of Catholic Education and the community it builds around us. [Catholic Education Week](#) reflects everything that makes our faith-filled learning community exceptional, bringing us together as People of Hope.

We hope you will join us for Catholic Education Sunday Mass on Sunday, October 20th, at St. Edmund Parish.

Families are also encouraged to wear blue on Thursday, October 24, to celebrate Catholic education. Blue is a powerful symbol of constancy, fidelity, genuineness, and aspiration. It also holds a special connection to the Blessed Virgin Mary, making it a fitting choice during October, the month of the rosary.

As part of our week-long celebration, we are excited to share a special message from our Board of Trustees and Chief Superintendent. In this video, they reflect on the gift of publicly funded Catholic education and invite us to continue supporting students in their journey of faith and learning.

Watch the video message [here](#).

Thank you for your support of Catholic education and Edmonton Catholic Schools.

St. Angela will be helping with:

“The Prayer of the poor rises up to God” (Sir 21:5)

These items will be donated to Sacred Heart Church of the First Nations People for distributions to our cities poor and unhoused. Help us bring hope to our community.

“Christian hope embraces the certainty that our prayer reaches God’s presence; not just any prayer but rather the prayer of the poor!” ~Pope Francis
