Happy St. Angela Day!

What a wonderful day we had celebrating our faith and our patron saint! All staff and students received a new school T-shirt as part of our celebration! Thank you to our students in grades 4-6 for supporting their younger buddies throughout the day!

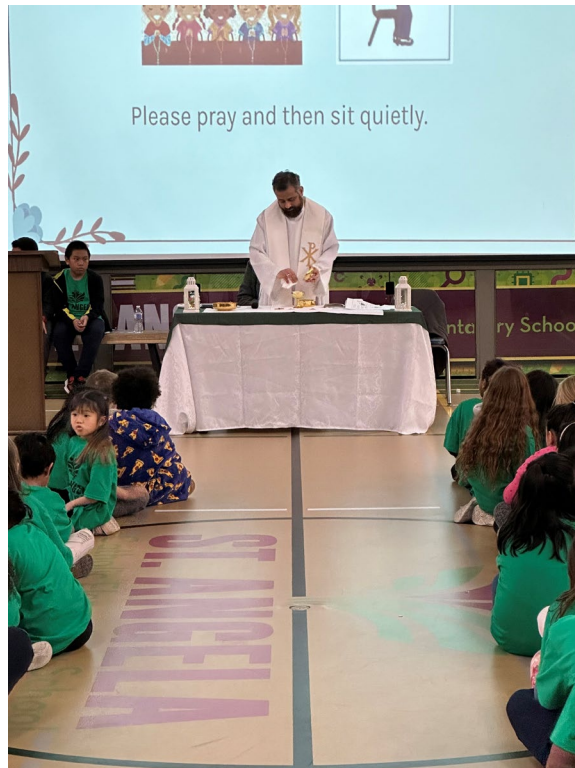

Happy St. Angela Day!

Students engaged in a STEM challenge where they created their own lantern as a reminder to always let our light shine forth!

Happy St. Angela Day!

We welcomed Knowledge Keeper Gary for a school-wide Smudge. The act of Smudging is considered a way of cleansing oneself in prayer. Smudging allows us to stop, slow down, become mindful and centered.

Happy St. Angela Day!

Father Jinu from St. Edmund Parish led our school family in mass. Thank you to our students and teachers in grades 1A and 5A for organizing this for us.

Therapy Dog

We are very excited to welcome back Dallas the therapy dog! Dallas belongs to Kyle Pisani who is a teacher at Sir John Thompson School and the visit is coordinated through [CAAWLS](#). Kyle has suggested that any students identified with allergies or who are fearful of dogs will sit at the side of the room so he can avoid contact with them. Students can also be removed from the class during the visit if necessary. He will visit St. Angela on February 16 and 21.

Please contact your child's teacher if you feel your child should be seated away from the dog or outside the classroom due to allergies or fear.

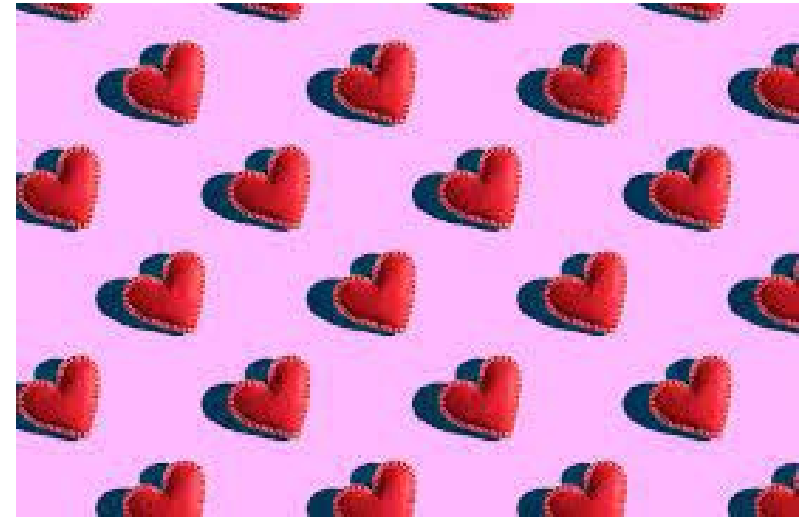

Valentine's Day /Ash Wednesday

This year, these two very important events take place on Wednesday, February 14, and both will be recognized at St. Angela School.

The joy, treats and festival of Shrove Tuesday tie in closely with the celebration and activities of Valentine's Day. **This year, Valentine's celebrations will be moved to Tuesday, February 13th.** The Valentine's Day message of kindness, community, and love are a great fit as we prepare for the beginning of Lent.

The solemn observance of Ash Wednesday should not be overshadowed by other celebrations.
