Kindergarten Graduation

This week, our youngest learners celebrated the end of their first year of school! We are so excited to see this wonderful group of students take on grade one in the fall! Thank you to our Kindergarten team for the time and preparation that went into this special event!

Indigenous Peoples' Day

Students had opportunities throughout the month of June to honour, celebrate, and grow in appreciation of the valuable contributions of Indigenous peoples to our country.

Knowledge Keeper Gary visited and shared cultural teachings as well as an opportunity to learn about smudging. Literature, videos, crafts and games have been incorporated into our classrooms throughout the month.

Student Fun Day

It wouldn't be the end of June without our annual Student Fun Day! Ask your child to tell you about their favourite activity station. Thank you to our committee and parent volunteers for making this awesome day such a great success!
