## Bring Your Favourite Book

(Optional) Bring a stuffy to read with.  
Students will drop everything and read with someone their favourite book.

## Thanksgiving Liturgy 9 AM

Dear Jesus,  
Make us grateful. Give us eyes to see what it is that really makes us blessed, and forgive us when we allow our gratitude to extend only to those blessings which can be measured in "likes." For we know that when all else fades, faith, hope, and love remain.

(1 Corinthians. 13:13)

In Your Name, Amen.

# WHAT PARENTS NEED TO KNOW ABOUT ONLINE SAFETY

Through out the year, themes will be highlighted monthly to support your child's journey as a digital citizenship. Join them as a partner in their education navigating the digital world!

## What is Online Safety?

As your child explores the online world, it's important to teach them how to stay safe and responsible. Online safety means helping them understand how to act kindly, protect their personal information, and recognize what is appropriate to share.

SAFE

## Online Safety Tips for Parents

### Teach Personal Safety:

- Explain to your child the importance of not sharing personal information online, such as their full name, address, or school. Use simple language and relatable examples to help them understand why privacy is important.

### Promote Kindness:

- Encourage your child to practice kindness and respect when communicating online. Discuss how online interactions should mirror their behavior in person and remind them to think before they type.

### Set Clear Boundaries:

- Establish specific rules for screen time and online activities. Make sure these rules are easy for your child to understand and enforce them consistently. Regularly review the apps and websites they are using to ensure they are age-appropriate.

### Engage in Conversations:

- Make it a habit to talk with your child about their online activities. Ask them what games they are playing or what videos they are watching, and encourage them to share their thoughts and feelings about their online experiences.

### Be a Role Model:

- Demonstrate good digital citizenship by practicing safe, kind, and responsible behavior online yourself. Share your own experiences and discuss the choices you make, reinforcing the values you want your child to adopt.
