STEM Assembly

Today our students learned about Hot Air Balloons! Using the book *Up and Away: How Two Brothers Invented The Hot-Air Balloon* as a springboard, classes learned about how balloons work and the forces that act on hot air balloons including lift, buoyancy, gravity and weight. Ask your child to tell you more about what they learned today!

Pink Shirt Day

Kindness Blooms Here

Wear a pink shirt on Tuesday!

Pink Shirt Day is all about cultivating a community of kindness. Just like tending to a garden, together we can each help nurture a sense of belonging at school. It all starts with small gestures— a kind word, an offer of support or understanding. If we plant enough, pretty soon, more will be sprouting up all around us! By sprinkling these seeds of empathy and compassion, we can work towards a world without bullying and "Let Kindness Grow" through all of our gardens.

Shrove Tuesday

Shrove Tuesday is the last day before Lent, which is the period of fasting for 45 days before Easter. Early Christians enjoyed great feasts and used up all the butter, eggs and milk they would not be able to use during Lent. Often pancakes were served at these feasts.

To celebrate Shrove Tuesday on March 4, St Angela School Council will be providing a pancake breakfast to all students. Each child will receive two pancakes and a juice box. **Students are asked to bring a toonie to offset the cost of this breakfast.** Please send your child with a regular lunch on this day.

Ash Wednesday Liturgy

Parents are invited to join us for our Ash Wednesday Celebration at 10:00 am on Wednesday, March 5.

New Schools

Edmonton Catholic Schools is excited to announce that the Alberta Government has approved full construction funding for two new Catholic K-9 schools in West Laurel and Rivers Edge. These schools will provide 1,900 new student spaces and help ease enrolment pressures in rapidly growing communities.

- West Laurel – Southeast Edmonton near 30 St. and 17A Ave. NW
- Rivers Edge – West Edmonton near 23 Ave. and 199 St. NW

With 50,107 students and counting, this investment ensures more families have access to an excellent Catholic education. Learn more at ecsd.net/newschools2025. We look forward to sharing more details as these projects move forward!
