# Earth Day

To celebrate Earth Day our ECO Club is leading a number of activities throughout the week!

**Tuesday** – In addition to our school yard clean up, students will be challenged to conserve energy here at school and at home!

**Wednesday** - Great Gulp - everyone bring a reusable water bottle today to stop extra plastic use.

**Thursday** - we will introduce GOOS (good on the other side) paper bins

**Friday** - Litterless Lunch

# Support Staff Appreciation Week

This week marks ECSD's [Support Staff Appreciation Week](#). Please join me in expressing gratitude to all of those individuals whose work supports the smooth operations of our Division, our school, and our classrooms. There is the proverb that it takes a village to raise a child, and our ECSD “village” is full of people who generously share of themselves each day as they help us to fulfil our mission to provide a Catholic education that inspires students to learn and that prepares them to live fully and to serve God in one another.
