# Strathcona Wilderness Centre

This week our Kindergarten and Grade 1 students enjoyed a visit from the Strathcona Wilderness Centre and took part in the Nature Detectives program. The hands-on presentation and displays gave our students an in-depth look at various bugs and plants and how they survive in nature. The students enjoyed observing herbivores, omnivores, plants and how they interact.

# Grade 6 Camp

By all accounts, the grade 6 students enjoyed a wonderful day at Camp Warwa this week. A big thank you to camp staff, St. Angela staff and parent volunteers for supporting all students in this traditional activity to mark the end of their elementary experience!
