Farewell Mrs. Flamia

Yesterday, we bid farewell to Mrs. Flamia, who has been not only our teacher and Assistant Principal but also our dear friend. Each student in our school contributed a Lego piece to form a vibrant collage—a Lego tree symbolizing our STEM learning journey, with roots firmly planted in our Catholic faith, nurtured by Christ's love, hope, and joy. The tree's rainbow of colors reflects the diversity of our school community.

Trees hold sacred meaning, deeply connected to the earth, providing shelter, nourishment, and healing. In many ways, Mrs. Flamia has been like a sacred tree for our staff and students, offering support, warmth, and a sense of belonging through her comforting hugs and encouraging words.

Trees also represent strength and personal growth, with each branch growing uniquely, symbolizing grace as it reaches out to others, and vibrant colors expressing individuality. As a tree stretches toward the sky with courage, it is also grounded in calm, growing deeper roots and gaining wisdom over time—just like Mrs. Flamia has throughout her journey with us. We wish Mrs. Flamia continued success at St. Gabriel School.

Welcome
Ms. Yu

Bottle Drive

A huge thank you to our School Council parent volunteers and everyone who donated to make our bottle drive such a great success! \$692.70 was raised and will be used to support special events for our students here at school!

St. Angela will be helping with:

“The Prayer of the poor rises up to God” (Sir 21:5)

These items will be donated to Sacred Heart Church of the First Nations People for distributions to our cities poor and unhoused. Help us bring hope to our community.

“Christian hope embraces the certainty that our prayer reaches God’s presence; not just any prayer but rather the prayer of the poor!” ~Pope Francis
