Dear Friends in Christ:

On behalf of Sacred Heart Church of the First Peoples, I would like to extend our deepest appreciation for the generous donation of personal items which we will use for our World Day of The Poor bags.

Our ministry in the inner city is year round, but never more needed than during this time of housing and economic uncertainty. Your donation has made it possible to make life better for those that are in need of assistance.

We extend our sincerest appreciation for your support to our National Indigenous parish and our local community. We welcome your continued support of our ministries to the vulnerable people of this area.

Please visit us at any time.

Thank you!
Graciously yours in Christ,

Fr. Susai Jesu, O.M.I.
