STEM Assembly

In our June STEM Assembly, we reviewed and applied our learning from Bee School! Each student had the opportunity to design and create a bee hotel! A bee hotel provides a nesting site for native bees which are among nature's most important pollinators.

Honey Fundraiser

As a follow-up activity, we have been selling flavored honey as a fundraiser for the school. Thank you to everyone who supported the fundraiser! It was a sweet success! We raised over \$800 for the school.

Take Me Outside Club

Thank you to all the Take Me Outside Club members for a successful inaugural year! We are looking forward to having it run again next year and value any input you have for activities you would like to see.

Our last day was Tuesday, June 11, 2024. We will not be having any more meetups for the rest of the year. Remember to get outside this summer!

A BIG thank you to Mrs. Nahirnak, Mrs. Jennie, Mrs. Clark, and Mrs. Flamia for leading the club!

Administration Update

Mrs. Maas and Mrs. Flamia are thrilled to share that they are both returning to St. Angela School for the 2024-2025 school year.

Additionally, Mrs. Flamia has pursued further postgraduate studies this year, successfully earning her Graduate Certificate in Educational Leadership from Concordia University of Edmonton. Achieving this milestone while working full-time and raising a young family is truly commendable. Congratulations, Mrs. Flamia!

Finally, Mrs. Maas was awarded the 2024 Alberta Distinguished Leadership Award in recognition of her work as a school principal. These awards recognize the outstanding achievements and contributions of Alberta school leaders who have excelled in providing high-quality learning opportunities for students. Congratulations, Mrs. Maas!
