Halloween

What an amazing Halloween! We began with a STEM assembly with a focus on the engineering design process. Next, we hosted a global webinar and learned about lots of creepy crawly animals. Our traditional Halloween parade was as much fun as ever! Our grades 5&6 classes spent time with the seniors at Shepherd's Care bringing some Halloween spirit! Happy Halloween!

We received
this message
from one of
the residents
at Shepherd's
Care:

I am a new resident of Shepherd's Care. Your young children came to our home on Halloween dressed in their costumes. They were so pleasant and kind to all of us. They did not hesitate to engage with us, with kindness and beautiful smiles. I used to hear about children coming to seniors' homes and thought "Isn't that nice?" But on Tuesday I experienced it. Being my first year of not being able to hand out treats and see all the children was going to be hard! And then in walked your students. Please thank them for their love and kindness. After they left there was almost a hesitancy for us to leave the auditorium, not wanting to end these wonderful moments. And then they promised to come back at Christmas. We all clung to that as a beautiful future gift.

My children attended St. Angela's and so it was a very special time for me.

Thank you, thank you, thank you.
