Congratulations to Ms. Rofaiel and Mr. Libich for receiving their continuous contracts with Edmonton Catholic Schools. This is a well-deserved career milestone that we are excited to celebrate! Well done!

STEM Assembly

In conjunction with Earth Day, our students took part in a “Turning Trash into Treasure” sustainable STEM challenge. Students used recycled materials to creating amazing upcycled wearables — all while learning about sustainability, design thinking, and teamwork. Thank you to Mrs. Groch and Mr. Libich for planning this activity for our students.

Grace for the Heart and Soul

On Thursday afternoon our staff was able to volunteer at the Edmonton Food Bank. As Catholics, we live out our faith through acts of service to support those in need. We are inspired by the Church's teachings on human dignity and the common good.
