Popcorn and Pajamas

On **Thursday, December 19** our students will take part in a **Popcorn and Pajamas** afternoon. Everyone is asked to donate at least a toonie for a bag of popcorn and a candy cane. The funds raised will be for the ECSFoundation which provides support to families in need each year. Donations will be accepted as cash which can be given to your child's teacher. Parents who would like to make larger donations and wish to have an income tax receipt should make their donation directly using the Foundation website. In order to track which school they represent, parents are encouraged to click on the “I would like to dedicate this donation” box and write the name of the school their children attend in the “Tribute Name” box. This will allow us to track donations for our school. To access the form, simply go to the Foundation website: <https://www.ecsfoundation.ca/> and click on the “Donate Now” button in the top right-hand corner of the page.

Family Christmas STEM Night

Family Christmas STEM Night was a beautiful celebration of our faith as we gathered in prayer and song. Students enjoyed the hands-on activities including robot and Lego challenges, Indigenous button making and a fun photo booth. Thanks to our School Council for generously providing cotton candy and Christmas slime making stations through Mad Science.

Family Christmas STEM Night

Advent Mass at St. Joseph's Basilica

Today, three STEM schools came together in a joyful celebration of our Catholic faith at St. Joseph's Basilica. United in song and praise, we felt the presence of Christ among us. Thank you to all the family members who joined us.

Attendance

We have many students who are routinely absent from school or arriving late. Section 31 of the *Education Act* states that:

a student, as a partner in education, has the responsibility to:

(a) attend school regularly and punctually

Please ensure that your child is attending school every day and arriving on time.

A decorative image on the left side of the slide. It features two ornate, black metal lanterns with intricate cut-out patterns. The lanterns have colorful glass panels in shades of orange, red, and green. In the foreground, there is a small, ornate silver tray filled with dark, glossy dates. The background is a soft, out-of-focus orange and yellow light.

Upcoming Dates

January 6 – School Resumes

May 29 – Spring Concert
