Demonstration of Learning

Attending our Demonstration of Learning is a wonderful opportunity to see firsthand the progress and achievements of your child. Your presence shows your child that their hard work is valued and encourages them to take pride in their learning. We look forward to celebrating their growth together and strengthening the connection between school and home! Teachers are available during the following times on Thursday, March 13:

- 11:40 am – 1:30 pm
- 2:00 pm – 5:00 pm
- 6:00 – 7:30 pm

Multicultural Showcase

Your child will be bringing home a **form** to be filled out regarding our upcoming **Multicultural Day celebrations** on **Thursday, March 20th!**

★ **Multicultural Showcase – 12:30 PM in the School Gym** ★

We are excited to invite you to our **Multicultural Showcase**, which will take place in the **school gym at 12:30 PM**. This event will feature performances and presentations celebrating the many cultures represented in our school community. We would love for you to join us in this special celebration!

If your child would like to participate in the showcase by **wearing cultural dress, sharing a dance, song, or another cultural tradition**, please indicate this on the **form sent home**. This is a great opportunity for students to showcase and take pride in their cultural heritage!

🕒 **Classroom Cultural Potluck – 11:15 AM** 🕒

Each classroom will be hosting a **cultural potluck**, based on student and family interest. If able, we invite families to contribute a **dish that reflects their cultural heritage** or a favorite meal from home.

📌 **Please complete and return the form sent home by Wednesday, March 12** to let us know if:

- ☒ Your family is able to contribute a dish.
- ☒ Your child would like to participate in the showcase (wearing cultural dress, performing a song or dance, etc.).

To ensure everyone has what they need, **please send your child with a spoon, fork, and a plate (plastic or paper) for the potluck.**

Please ensure that all dishes are **nut-free** to accommodate allergies in our school. If you have any questions or dietary concerns, feel free to reach out.

We look forward to celebrating with you and enjoying a day filled with culture, food, and community!

Shrove Tuesday

Our students enjoyed the pancake breakfast that was provided by our School Council!

A big thank you to one of our St. Angela families for donating the juice boxes for the breakfast!

Ash Wednesday

Ash Wednesday marks the beginning of Lent. Our students, staff and family members received ashes in the sign of the cross, a reminder of our call to spiritual renewal. Over the next 40 days, we will focus on prayer, fasting and almsgiving as we journey in faith together.

Snow Valley Ski Trip

Great Big Crunch

This week, we took the great big crunch to celebrate healthy school food. We have focused on the importance of healthy foods to fuel our bodies everyday!

Ukrainian Dancers

- We were thrilled to welcome students from St. Martin School to share their love of Ukrainian dance with us. After watching several performances our staff and students were invited to dance as well!

International Women's Day

In our first year recognizing International Women's Day, we were lucky to welcome two exceptional guest speakers to our school. Katherine O'Neill who is the CEO of the YWCA and former St. Angela student Ryla Montgomery shared powerful messages of empowerment and equality for women. The role of boys and men in supporting women was also discussed.

SAVE THE
DATE

A vibrant poster for STEM Night. The central text "STEM Night" is in large, bold, white letters with a blue outline, set against a dark blue circular background. Above it, "Save THE Date" is written in pink and white. Below the main title, "at the Edmonton VALLEY ZOO" is written in green and pink. To the right, a pink circle contains the date "MAY 15" in blue. The background features a gear, a leafy branch, and a chemical structure. At the bottom, five school logos are displayed: St. Angela, St. Boniface, St. Vincent, St. Richard, and Our Lady of Mount Carmel. The event time "5:30-8:00 PM | Program starting 6:00 PM" is at the bottom.

Pre-Enrolment for Current Students

- Log in to PowerSchool.ecsd.net
- Click on the Pre-Enrolment for Next Year icon
- Follow the instructions to select your 2025-2026 school
- Complete for each child registered with ECSD

Visit ecsd.net for more information

We need your help! Pre-enrolment for current students is now open. Sign into your [PowerSchool account](#) and click on "Pre-Enrolment for Next Year" to let us know if you will be returning to our school or where you will be attending as you move into (select what applies: Kindergarten, Junior High, or High School). The pre-enrolment process lets us know how many students to expect in September 2025 and helps us plan for staffing, class sizes, and programming. To learn more, visit ecsd.net/pre-enrolment.
